### **Nordic Salt**

Nordic salt is seethed after old, Nordic traditions by specialized salt makers.

### **Single origin salt**

The taste of the single origin salt is as diverse as the Nordic nature. The composition of the minerals determines the flavours.

### **Nordic flavours**

The seasoned salt is composed of herbs from the classic Nordic cuisine. Each seasoning sends your mind, by way of your senses, to a particular season or a specific Nordic destination.

### **Bakery and bread**

In this bake-off series, Frank Lantz has mixed traditional Danish pastries with new Nordic flavors and flour. The aim is to develop the Danish bakery traditions and take them to new heights.
